

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Michael J Erlich**
Docket No. **275384**
L. Ct. No. **1995-142892-FC**

William C. Whitbeck, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motion for leave to file expanded brief is DENIED failure to demonstrate extraordinary and compelling reasons requiring the excess length. The request to remove pages 3, 4, 5, 6, 24, and 25 is DENIED as nonsensical since their removal would cause the brief to become unusable. Instead, this Court will attach the new caption pages that were requested by this Court's January 16, 2007 defective filing letter.

The motion to waive fees is DENIED because a review of appellant's prisoner account statement showed he has the ability to pay a reduced entry fee.

Within 21 days of the certification of this order, appellant shall pay the reduced entry fee of \$43 to the Clerk of this Court. Failure to comply with this order will result in the dismissal of the appeal.
